INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
The Foundation of Palm Springs Unified School District

We have audited the accompanying statements of financial position of The Foundation of Palm Springs Unified School District (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
The Foundation of Palm Springs Unified School District

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Foundation of the Palm Springs Unified School District as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

THE FOUNDATION OF PALM SPRINGS UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Foundation of Palm Springs Unified School District (the Foundation) was formed on November 19, 2007. Charged as a 501(c)3 with providing a stream of external funds to schools within the District, The Foundation represents a public-private partnership dedicated to supplementing federal and state support of education. Working in collaboration with the Board of Education and Superintendent, the Foundation (1) helps to underwrite existing initiatives and pilot new initiatives that are unfunded or underfunded; (2) builds visibility of the District's needs among community stakeholders and potential donors, and (3) functions as the fiscal agent for external funds that come to the District, stewarding and providing fiduciary administration of such resources.

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Tax Exempt Status

The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and from state income tax under Section 23701(d) of the California Revenue and Taxation Code. As such, no provision has been made in the financial statements for income taxes.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and highly liquid investments that are readily convertible into cash and have original maturities of three months or less when purchased.

Concentration of Credit Risk

The Foundation maintains accounts at Wells Fargo, which at June 30, 2021 and 2020, and periodically throughout each year, were in excess of federally insured limits of \$250,000.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentration of Credit Risk (Continued)

The Foundation also maintains investment accounts with Wells Fargo. The accounts contain cash and securities and sometimes exceed the amount guaranteed by the Securities Investor Protection Corporation (SIPC), which is \$500,000 for securities and cash (including a limit of \$250,000 for cash only). Accounts held in the same capacity are combined for purposes of the SIPC protection limits. The investment company maintains insurance to guarantee the Foundation's balances in excess of the amounts on deposit or invested.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values based on quoted prices in active markets in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Donated Assets

Donated investments, inventory, property and equipment, and other noncash donations are recorded as contributions at their fair values at the date of donation.

Net Asset Classification

The Foundation reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Foundation, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Asset Classification (Continued)

The Foundation's unspent contributions are reported in net assets with donor restrictions if the donor limited their use, as are promised contributions that are not yet due.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Donor-Imposed Restrictions

Contributions are generally available without donor restrictions in the year received unless specifically restricted by the donor. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions are satisfied in the same reporting period in which they are received. Donor-imposed restrictions are considered to be satisfied when a stipulated time restriction ends, or a purpose restriction is accomplished.

Contributions with donor-imposed restrictions that are not satisfied within the reporting period received are reported as increases in net assets with donor restrictions. When a restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue and Revenue Recognition

Revenue is recognized when earned. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction.

Donated Services

A substantial number of unpaid volunteers have made significant contributions of their time to the Foundation's programs, operations, and fundraising activities. The value of donated volunteer services is not reflected in the accompanying financial statements since no objective basis is available to measure the value of such services.

Functional Allocation of Expense

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited. The expenses that are allocated include materials and supplies, printing, salaries, and others, which are allocated on the basis of estimates of time and effort.

Date of Management Evaluation

Management has evaluated subsequent events through May 10, 2022, the date on which the financial statements were issued, see Note 8.

NOTE 1: NEW ACCOUNTING PRONOUNCEMENTS

The Foundation adopted the following changes in accounting principle for the years ended June 30, 2021 and 2020:

Clarifying the Scope and Accounting Guidance for Contributions Received and Made

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958) – Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU provides a more robust framework for determining whether a transaction should be accounted for as a contribution (nonreciprocal) or as an exchange (reciprocal) transaction. The guidance also clarifies whether a contribution is conditional and better distinguishes a donor-imposed condition from a donor-imposed restriction.

The Foundation adopted ASU 2018-08 using a modified prospective method effective July 1, 2019. Under the modified prospective method, this ASU only applies to agreements not completed or entered into (revenue or expense that has not yet been recognized) as of July 1, 2019. As a result, the 2019 financial statements are not restated and there was no cumulative-effect adjustment to opening net assets as of July 1, 2019. There were no material changes to the recognition of contribution revenue for the year ended June 30, 2020.

NOTE 2: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Foundation's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash and cash equivalents	\$ 496,524	\$ 476,414
Investments	<u>2,749,574</u>	<u>2,287,206</u>
Total financial assets	3,246,098	2,763,620

Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 1,746,098</u>	<u>\$ 1,263,620</u>

As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Investments include funds consisting of endowments with donor restrictions to be held in perpetuity.

THE FOUNDATION OF PALM SPRINGS UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE 3: FAIR VALUE MEASUREMENTS

The Foundation determines the fair value of investments and other assets using a framework for measuring fair value, established by GAAP. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy inputs are described below:

- Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.
- Level 2 inputs are other than quoted prices included in Level 1 that are observable, either directly or indirectly. Such inputs may include quoted prices for similar assets, observable inputs other than quoted prices (interest rates, yield curves, etc.), or inputs derived principally from or corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

At June 30, 2021 and 2020, all investments were measured at fair value on a recurring basis and were valued at Level 1 inputs (quoted prices in active markets for identical assets). Fair value for investments as of June 30, 2021 and 2020, was \$2,749,574 and \$2,287,206 respectively.

NOTE 4: INVESTMENTS

	<u>2021</u>	<u>2020</u>
Academics	\$ 395,946	\$ 122,999
Arts	81,070	122,223

	<u>\$ 3,041,406</u>	<u>\$ 2,816,800</u>

NOTE 6: ENDOWMENT FUNDS

The Foundation's endowment also includes donor-restricted funds to be held in perpetuity. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Foundation has a donor-restricted endowment of \$1,500,000 from the Galen Family Foundation for the purpose of supporting performing arts programs at Rancho Mirage High School as of June 30, 2021 and 2020.

Continued

THE FOUNDATION OF PALM SPRINGS UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE 6: ENDOWMENT FUNDS (Continued)

The Foundation has interpreted the state enacted Uniform Prudent Management of Institutional Fund Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The Foundation classifies as net assets with donor restrictions (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purpose of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

Investment Return Objectives, Risk Parameters, and Strategies. The Foundation has adopted an investment policy, approved by the board of directors, for endowment assets that attempts to maintain the principle of the endowment while incurring the lowest possible risk. Therefore, the Foundation expects its endowment assets, over time, to exceed the rate of inflation. Actual returns in any given year may vary from this expectation. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to avoid exposing the fund to unacceptable levels of risk.

NOTE 7: RELATED PARTY TRANSACTIONS
